FREE LEGAL ASSISTANCE AVAILABLE FOR CALIFORNIA FIRE SURVIVORS

SACRAMENTO, September 1, 2020 — A legal hotline is now available for survivors of the fires in Northern California in **Lake, Monterey, Napa, San Mateo, Santa Cruz, Solano, Sonoma, and Yolo** Counties (additional counties may be added). Disaster survivors facing legal issues related to the fires may call the hotline at (888) 382-3406. Callers may also leave a message. English and Spanish speaking attorneys will be available.

The service, which allows callers to receive limited legal assistance from a volunteer lawyer, is a partnership between the Disaster Legal Assistance Collaborative or DLAC (The Bar Association of San Francisco’s SF-Marin Lawyer Referral and Information Service and the Justice & Diversity Center; San Francisco Trial Lawyers Association, Alameda County Bar Association and Legal Access Alameda; State Bar of California, California Lawyers Association, California Lawyers Foundation, Bay Area Legal Aid; Morrison Foerster, Cooley, the DLA Piper Foundation, United Policyholders, OneJustice, California Rural Legal Assistance, and Pro Bono Net), the American Bar Association Young Lawyers Division (ABA YLD), the Federal Emergency Management Agency (FEMA) and the Legal Aid Association of California (LAAC).

The type of legal assistance available includes:

- Assistance with securing FEMA and other government benefits available to disaster survivors;
- Assistance with life, medical and property insurance claims;
- Help with home repair contracts and contractors;
- Replacement of wills and other important legal documents destroyed in the disaster;
- Assisting in consumer protection matters, remedies and procedures;
- Counseling on mortgage-foreclosure problems;
- Counseling on landlord-tenant problems;
- COVID-19 resources.

Survivors should be aware that there are some limitations on disaster legal services. For example, assistance is not available for cases that will produce a money award. Such matters can be referred for skilled lawyer representation through a [State Bar of California certified lawyer referral service in your area](#).

Major Disaster Declaration

On August 24, 2020, a Major Disaster Declaration was issued for the state of California, making federal funding available to individuals and business owners in Lake, Monterey, Napa, San Mateo, Santa Cruz, Solano, Sonoma, and Yolo counties.

To register with FEMA, and if eligible, apply for federal and state disaster assistance, register online at [DisasterAssistance.gov](https://www.disasterassistance.gov) or via smartphone or Web-enabled device at m.fema.gov. Applicants may also call 800-621-3362 or 800-462-7585 (TTY). Applicants should be prepared to provide basic information about themselves, insurance coverage, and any other information to help substantiate the loss.

Please note that if you are eligible for an Individual Assistance grant you are not required to pay back the grant to FEMA. There is no income threshold for Individual Assistance grants, but you may be referred to the Small Business Administration (SBA) for a low interest disaster loan to assist in your recovery. These low interest disaster loans for homeowners and businesses from the SBA must be repaid.

Background

When the President declares a major disaster, FEMA, in cooperation with the American Bar Association Young Lawyers Division, establishes a toll-free number for disaster survivors to request legal assistance. Funding for the toll-free line comes from FEMA under the authority of Section 415 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Public Law 100-707). The American Bar Association Young Lawyers Division in turn partners with state bars, local bar associations and other legal organizations to recruit volunteer lawyers in affected areas to handle survivors' cases.
