

1 BOARD OF SUPERVISORS, COUNTY OF LAKE, STATE OF CALIFORNIA

2 RESOLUTION NO. 2018-59

3 RESOLUTION EXPRESSING THE INTENT OF THE BOARD OF SUPERVISORS
4 IN PROHIBITING A CANNABIS CULTIVATION SITE WITHIN 1000 FEET OF A
5 WATER SPHERE OF INFLUENCE IN LAKE COUNTY ORDINANCE NO. 3073

6 RECITALS

7 WHEREAS, Article 72 of the Lake County Zoning Ordinance, as amended by Ordinance
8 No. 3073, presently provides the no cannabis cultivation site may be located within 1000 feet of
9 an existing water sphere of influence; and

10 WHEREAS, it has come to the attention of the Board of Supervisors that the language
11 used in that prohibition has been subject to an interpretation in apparent conflict with the intent of
12 this Board as it relates to the proximity of a cultivation site to a water service sphere of influence;
13 and

14 WHEREAS, the Board of Supervisors desires that staff amend the language of Ordinance
15 3073 to further clarify the Board's intention in implementing said prohibition; and

16 WHEREAS, the Board of Supervisors desires that its intent and interpretation of said
17 prohibition be implemented while said amendment is being advanced.

18 NOW THEREFORE, BE IT RESOLVED AS FOLLOWS:

- 19 1. The foregoing recitals are true and correct.
- 20 2. In adopting the prohibition in Ordinance No. 3073 requiring that no cultivation site be
21 located within 1000 feet of a water service sphere of influence, it was not the intention of
22 this Board that such prohibition be unilaterally applied to a water service that is not subject
23 to tie-in/access to service to the cultivation grow site itself. This Board acknowledges and
24 agrees that if such a cultivation site located within 1000 feet of a water service sphere of
25 influence does, at any future time, seek to obtain access to said service, said prohibition
26 shall be applicable.
