Residential and Commercial Building Damage Collection

Lake County, CA (March 7, 2023) -- The Lake County Sheriff's Office of Emergency Services (OES) and Lake County Community Development Department (CDD) request damage reports for residential and commercial buildings that sustained structural damage in the late February winter storms.

Sheriff Howe proclaimed a local emergency on February 24, 2023, due to impacts from the low elevation snow storm. This damage assessment is needed to identify potential pathways for assistance from the State of California and/or federal government.

If your home or business sustained moderate to major damage, please report damages as soon as possible and no later than Friday, March 24, 2023:
