<p><i>Requester understands that the Department solely verifies whether a commercial agricultural operation exists at the described location and does not permit access to restricted areas or certify compliance with any applicable laws. Requester acknowledges the inherent risks and hazards associated with accessing restricted areas subject to official road closure as the result of a local emergency. Requester acknowledges and understands that access to restricted areas is subject to orders of law enforcement, fire services, emergency services, and the California National Guard. Requester agrees that it and any individuals who access restricted areas will follow all orders of those agencies regarding entry and exit from the property. Requester is solely responsible for the safety of those individuals included in this request and is solely responsible for any damage to property or equipment arising from restricted access. Requester agrees to hold harmless the County and its officers, agents, employees, volunteers, or representatives from and against any liability, claims, actions, proceedings, losses, injuries, damages, or expenses, including associated litigation costs and reasonable attorney's fees, brought for or on account of personal injury (including death) or damage to equipment or property arising from the Requester's access or denial of access. Further, the Requester is solely responsible and must hold harmless the County from any acts or omissions of the Requester or its officers, agents, employees, volunteers, contractors and subcontractors in accessing the above listed location. Requester further understands that if access is granted it is only to the location and for the activities identified above and the direct access route to/from that location; stopping along access routes, wandering, loitering, or otherwise meandering from the above location, or performing activities other than those listed above is strictly prohibited.</i></p>
